Authors' contributions

This work was carried out in collaboration between all authors. Author SR designed the study and wrote the protocol. Author LMH performed laboratory experiments and wrote the first draft of the manuscript. Authors SMA and VD managed the analyses of the study. Authors MK and FZ managed the literature searches. All authors read and approved the final manuscript.

Article Information

DOI: 10.9734/AJB2T/2017/36548

Editor(s):

- (1) Igor Felipe Andrade Costa de Souza, Faculdade Integrada de Pernambuco (Campus Saúde), Recife-PE, Brasil.
(2) Md. Shaheed Reza, Professor, Department of Fisheries Technology, Bangladesh Agricultural University, Bangladesh.
(3) Elif Demirkan, Associate Professor, Department of Biology, Uludag University, Turkey.
(4) Palanimuthu Velayutham, Professor, PG and Research Department of Botany, Government Arts College (Autonomous), Karur, Tamil Nadu, India.

Reviewers:

- (1) Alberto de J. Oliveros-Bastidas, Universidad de los Andes, Venezuela.
